

The Last Annual Hmmmmmmmfest Regatta
May 31, 2008 C.O.S.A. Lake Hefner, OK
Results

It was a fairly typical Spring day at Lake Hefner – wind steady from the South at 14 to 16 mph with an occasional gust approaching 20, moderate chop, plenty of sunshine and temperatures in the low 90's. In other words, a perfect day for short-course drag-racing in small sailboats. Nine skippers apparently agreed, and competed in two fleets, Sunfish and Flying Scots. As usual, there were three races before lunch and four after lunch. Most unusual, almost everyone who started race 1 finished race 7 – we usually boast a much higher attrition rate.

COSA would like to thank all who participated, starting with, of course, the racers. Also due special recognition are Carl Borgfeld, Tom and Jane Robertson who manned the two crash boats, Eric Courier who provided a great BBQ links w/trimmings lunch and all the COSA members who worked so hard to make this a quality event.
